

Dear Families

I hope you had a rest over Easter and are back into the swing of a new term.

Following on from last term we are now moving into looking at the Early Church from Acts through to Revelation.

I'm so excited about lots of lovely new team members joining the different groups to support the growing numbers of children in the church. Please do chat to the team when you collect your child – it's a great way to get to know new people too.

With the success of the trial swap last term, Scramblers will now be in the Upper Room and Climbers in the Lounge. This allows more space for a large group of little ones to move about and play.

I have been asked about CD's and books suitable for children – we have a resource booklet at the bottom of the Children's page on the website (www.smb.org.uk/children), which you may find helpful.

Please do get in touch if you want to chat about Children's Church at all.

God Bless,

Mim Taylor
