

Spring 2025

We would love you to pray for the CAP Ministry in Canterbury

We invite you to give thanks for:

Six clients becoming debt free since the summer!

Please pray that they would find it possible to stay out of debt and remain hopeful

Two clients feeling a renewal of faith or being aware of their need of God

Please pray that they might find peace with God through Christ, and a welcome in a local church

Our pool of befrienders being (only) just enough to match the number of clients

Please pray for the right people to feel called into the supportive ministry of CAP befriender

We invite you to intercede for:

- Our clients on health-related Personal Independence Payments (PIP) who are already in debt, and who are now facing uncertainty after recent government announcements regarding cuts to this funding
- Our clients to find hope, feel loved and be encouraged as we spend time with them.
- Us, the Debt Coaches, for resilience, love and wisdom as we deal with clients and their financial situations amid often chaotic circumstances.

If you or someone you know is in debt and needs help, call CAP on 0800 328 0006.

If you are a member of a local church and interested in coming along on CAP visits and being part of a client's journey out of debt (befriending), please contact Tony Washington at tonyashington@capuk.org. He can briefly describe the role of a befriender and explain the recruitment process. Your church leadership will need to endorse you for this role. DBS is required, references are taken etc.

If you are interested in giving financially to CAP nationally, visit [CAP UK | Donate](#).

Please refer to either SMB or City Church to donate towards costs of maintaining either debt coach.

May God bless you

Tony Washington and Karen Sexton
